Our Commitment to Our Customers...

We the staff and management of the Huron Medical Center Food & Nutrition Services Department are committed to providing a level of service that exceeds our customer's expectations. We will strive everyday to ensure that our customer are provided exceptional service as well as serving them with warmth, dignity and respect.

At Huron Medical Center we strive to provide wholesome, nourishing and well-balanced meals for patients and their family. During your patient stay at Huron Medical Center, meal selections are in compliance with your doctor's orders as an important part of each patients treatment and recovery. If you are on a special diet as part of your treatment plan, you are encouraged not to order food from outside the hospital as it may be hazardous to your health. Talk with your nurse if you have questions. Guest trays are available upon request for family at a nominal fee.

The Huron Medical Center Cafe is open for all visitors as well as hospital staff.
